How do I activate and use my RSA SecurID token?

Depending on the type of RSA SecurID token you have, see one of the following articles for step-by-step instructions.

- Enabling Your RSA SecurID Hard Token (Fob)
- Enabling Your RSA SecurID Soft Token (Mobile App)

If you have any difficulty using your RSA SecurID token, contact the NAS Control Room at (800) 331-8737 or (650) 604-4444.
